Dear Administrator:

Congratulations! Overland Christian Schools has been awarded initial Accreditation by the North Central Association Commission on Accreditation and School Improvement (NCA-CASI). This action was taken at the AdvancED® Accreditation Commission meeting held on June 26, 2014. A certificate that indicates the term of your NCA-CASI accreditation is enclosed. Throughout this term of accreditation, Overland Christian Schools must continue to engage in the tasks required of all institutions to maintain accredited status as outlined in the *AdvancED Accreditation Policies and Procedures* available on our website at www.advanc-ed.org/services/policies-and-procedures. Your efforts and associated accreditation signify your commitment to educational excellence and are noteworthy.

As an accredited institution, you are part of the AdvancED network of over 32,000 schools and systems in more than 70 countries that are committed to continuous quality improvement through accreditation. Through our state, national, and international offices, AdvancED offers a wide range of services including workshops, conferences, web-based resources, publications, surveys and technical assistance. Please check the Improvement Services/ Professional Learning section at www.advanc-ed.org for upcoming events.

Finally, promoting your accreditation is one of the easiest things that you can do to raise awareness of the importance of continuous improvement of education. To help you celebrate your accreditation, we are providing you with a press release that you may share with your local media. You can access the press release by visiting www.advanc-ed.org/communicationskit. In the kit, you will find other press releases, brochures, accreditation seals and promotional items to display your pride in your institution's accreditation.

If you have questions regarding the enclosed certificate, e-mail us at accreditation-certificates@advanc-ed.org. Our AdvancED Accreditation Office is available to answer any questions you may have as well and can be reached at 888.41 EDNOW (1.888.413.3669). We look forward to serving you now and in the future.

Sincerely,

Mark A. Elgart, Ed.D.
President/CEO AdvancED
