**Insurance is required.** It may be provided by parents if it is a recognized insurance accepted in the U.S. A copy of the insurance card should be provided to the school **before the student begins classes.** If parents cannot provide proof of an acceptable insurance card at registration, then OCS will provide contact information for parents to secure it through a company that services international students.

Graduation cap and gown rental, if a student is graduating, is included. Other supplies are optional.

**Tuition, Fees, Room & Board (or Homestay) and Insurance are required to be <u>paid in full at the time of</u> <u>admission.</u> Payment may be made by wire transfer, check, or approved credit card. Contact OCS to obtain information on how to make a wire transfer.** 

Should the F-1 student leave prior to the end of the school year for any reason, there will be **no refund of fees or tuition.** 

Air transportation to and from the student's home country is the responsibility of the student/parents. Students are required to have a round trip ticket. Before leaving your country, OCS should be aware of your travel itinerary. In case of emergency while traveling, you may contact Mrs. Shelly Bruce at 913-406-6593 or at the school office at 913-948-9596. Students are to return home no later than one week after classes end in May. International students arriving more than one week prior to the beginning of classes should make sure they have proper lodging arrangements.

## **Description of Fees**

#### Application Fee

International students must submit a completed application and pay the application fee in order to be considered for admission. An interview will be conducted. Upon completition of the interview, the I 20 will b essued. This fee is non-refundable.

Kansas City College and Bible School, Inc. and its subsidiary, Overland Christian Schools, has been approved by the U.S. Immigration and Naturalization Services, a division of the Department of Homeland Security to issue I-20 forms. International students who need an I-20 Form in order to obtain an F-1 student visa must submit a completed application and meet all admission requirements before an I-20 will be issued. When OCS issues an I-20 form the school is making a commitment to reserve a seat or space at the appropriate grade level for the student. It is therefore expected that a family would not request that an I-20 form be issued for a student if the family is not fully committed to having their student attend Overland Christian schools if the F-1 visa is approved. Entering the U.S. and then not enrolling in the school after obtaining an F-1 visa will result in the student's status being changed to "Terminated" within the SEVIS system and the student will then be considered "Out of Status," at which point they will be in the U.S. illegally. This could result in the student being deported for failure to enroll in the program of study for which they requested an I-20 Form.

#### International Student Services Fee

International students pay an annual student services fee. This fee is due prior to their first day of school. This fee covers various costs (including textbooks and cultural trips among other things) associated with the international student program and is non-refundable.

#### International Student Tuition

First-year international students are expected to pay the annual tuition in full before their first day of class. Returning international students may make semi-annual payments (before first day of class in the Fall semester and by January 1 for the Spring semester). The international student tuition includes the additional costs associated with operating a quality international student program such as maintaining international student records and administering the overall program. The tuition also covers the cost of the ESL program, which facilitates more rapid English language acquisition. All international students for

whom English is a second language are required to attend regular ESL classes during the school day. Students are placed in ESL classes based on their English proficiency as determined through the application process or through on-site testing once they arrive at OCS. In addition, OCS will provide an ESL lab where students will be regularly required to spend time improving their language ability. Students will regularly meet with the ESL instructor or program advisor for consultation, monitoring of progress and adjustments in the program level to maximize the benefits to the student.

#### Homestay

Overland Christian is happy to provide homestay services to students who desire an American family experience. Homestay services are available on a limited basis upon request. Interested students should notify OCS of their desire for Homestay services. First-year students who are residing in a homestay are expected to pay the annual fee in full before they move into the home. Returning international students may make semi-annual payments.

## **General Information for International (F-1) Students**

- All students applying for admission should file a I-901. The cost is \$235, which includes the expediting fee. The I-901 must accompany the I-20 when applying for a visa at the U.S. Consulate. Even if the student does not need a visa to enter the U.S., the I-901 must be filed. For details go here: www.ice.gov/sevis/i901/
- Students' families must demonstrate an ability to pay all tuition and fees, as well as any room and board or homestay costs associated with their student's enrollment at OCS for the school year. This may be provided in the form of verifiable bank account statements or other financial records. These records should be submitted with the completed I-134 form. To access the form, go here: www.uscis.gov/i-134
- 3. Students who need an I-20 Form in order to attend OCS on an F-1 student visa are required to provide the school with both an international address (home address) and the local address where the student will reside while in the U.S. attending OCS.
- 4. Students must provide copies of I-20 forms with the U.S. immigration stamp for date of entry whenever they first enter or re-enter the U.S., as well as a copy of their current visa and passport. The school is required to keep these on file, along with a current address for each international student in attendance at the school. It is the responsibility of the international student and their parents/guardians to provide this information to the school and to inform the school of any change of address during the student's attendance at the school.
- 5. Students who wish to travel outside of the U.S. during the Christmas break or over the summer between academic sessions must obtain a travel I-20 Form from the school (or have their current I-20 signed and dated by on official at the school) in order to ensure that their re-entry into the United States will be approved.
- 6. While in the U.S., international students are under the authority of local, state, and national laws. They are also under the authority of Overland Christian Schools and must comply with all school policies, procedures, and regulations. It is important that students obey all laws and comply with the rules and regulations of OCS during their stay in the United States, or they will be in jeopardy of being forced to return to their home country.
- International students must follow host family (guardian) regulations regarding curfews, dating, completion of school work and homework for which they are responsible. They are also expected to complete any assigned chores for which they are responsible.
- 8. International students are responsible to attend school regularly and achieve satisfactory grades. They must follow all attendance requirements and may be expelled from the school due to disrespectful, inappropriate, or poor behavior.

Very important: If a student has not had measles, mumps, or rubella, she/he is required to have a series of inoculations before going to the U.S.A. Otherwise, the student will be required to have inoculations in the United States before being admitted to an American high school. As students must meet the immunization requirements of the American high school that they will be attending, the student may be required to have additional immunizations or screening tests before being admitted to high school.

#### **Standards of Conduct**

#### Part I Laws

If a student is involved in activities that are illegal based on local, state, and federal laws, the student will be sent to the home country as soon as legally possible. Such expenses incurred will be the responsibility of the student's parents. Illegal activities include:

- > Drinking or purchasing alcoholic beverages and/or tobacco products
- Buying, selling, possessing or using illegal drugs as defined by local, state, or federal law (controlled drugs must be prescribed for the student by a licensed physician)
- > Committing or taking part in any act of violence against another person or property
- Shoplifting or theft
- > Accessing or downloading pornography on the internet.

#### Part II School

The student must obey all school rules, attend class regularly and be responsible for assuming a full course load, maintaining a "C" average with no failing grades at the end of the semester. Academic probation may result if grades are not acceptably maintained. All tutoring costs are to be borne by the student.

#### Part III Personal Conduct

Students are to refrain from sexual behavior, contact, and activity. Students who are found to be sexually active may be expelled.

Students who become pregnant or impregnate may be expelled and sent home.

Students may not tattoo or pierce any part of their body while enrolled at Overland Christian Schools.

Standards of dress, hair, etc., must comply with the school guidelines.

We, the undersigned have read and agree with the Standards of Conduct as outlined. We acknowledge that this agreement is in force during the time the student is enrolled at Overland Christian Schools or leaves the United States.
